**Current job:**

National Administration of Social Security (ANSES)

**Outline of the plan for the term in office**

**Working proposals:**

First, I am determined to support and assist President Klaus Tegner, by carrying out all the tasks entrusted to me.

Secondly.

I will work on the dissemination of the WFIS policy for the protection of minors, helping the Regional Councils to implement an Ethics Committee, which supervises the compliance of these policies by the member associations.

I will continue to assist in the dissemination of training manuals and policies to deliver certified WFIS courses regionally and globally.

I will continue to help in the reissue of the classic books of the Scout Movement and the dissemination of the technical manuals of WFIS, creating an interdisciplinary team with volunteers who offer their collaboration, from all regions.

When the world health situation allows it, I will resume working on the implementation of an exchange program between scouts from different countries, to strengthen the bonds of scouting friendship and brotherhood between peoples.
